Dear Parent/Carer,

Year 11 Exam Information

Following Thursday's virtual Exam Information evening for Year 11, please find attached some useful documents that may aid you in supporting your child/ren through this period and beyond.

As indicated in the presentation, most information has been – and will be - directed at children from hereon, but it will likely be helpful for parents/carers to be aware of what that information is so far.

1. KS4 and KS5 Examination guide 2023-2024 Oct 23
2. Year 11 Mock exam assembly 30.10.23 - Exams Officer
3. Exams information evening presentation slides
4. Exam board codes and links to past papers document
5. Revision sessions timetable
6. FAQ document following Exam information evening

Pupils have been provided a hard copy of Item 1.

A recording of this Item 3 will be placed on the Exams page of the Academy website in the coming days.

Item 4 is included here in response to queries raised on Thursday regarding where to find practice papers and exam board information. It is also available on the Academy website.

I hope this information is helpful. We believe that pupils and parents being informed is perhaps the best way to know how to help your children. If you have any questions, please do ask.

Yours sincerely,

Mr James Fitzgerald
Deputy Principal
