Newport

Established 1588 free Grammar School of Newport

Dear all,

As you begin your GCSE exams, we wanted to write to you to remind you about our Sixth Form Welcome Day.

This will take place on **Thursday 27th of June**. On the day there will be face to face sessions in all your chosen subjects, and opportunities to meet the Sixth Form team and fellow students. You will find details of the day below.

Good luck in your GCSEs! We look forward to welcoming you to our Sixth Form, if you have any, please do not hesitate to contact either me or Mrs. Baxter.

Please click on this link to let us know if you are coming or not.

Welcome Day Further Information

The subject sessions have been designed to help you engage with your chosen subjects at a high level and to showcase just why studying at Joyce Frankland Sixth Form is an excellent choice.

Subject sessions will focus on enabling you to experience the subjects you are interested in at a higher level. You will have the opportunity to see how your learning journey with us will help you develop the knowledge, insight and imagination needed to succeed at Sixth Form.

Meeting the Sixth Form pastoral team will ensure that your transition to Sixth Form is a positive and stress-free experience. Tutors and mentors will play a central role in helping you achieve your academic aims, whilst also ensuring that your pastoral needs are met and that you are supported in becoming a mature, confident and independent young adult, equipped to meet the challenges of the modern world. Whether your goal is a place at Russell Group university, an apprenticeship, or a role in industry or business, all the staff who will be working with you will help you discover the pathway which is right for you.

Finally, you will gain an insight into our Sixth Form mindset programme - VESPA. Research clearly shows that to be successful at Sixth Form, doing well at GCSE will only get you so far. Your vision, effort, systems, practice, and attitude are just as important in determining your success. We support students to assess their strengths and weaknesses in these areas before offering structured activities to help them develop.

A timetable for the day will be sent to you in advance of the 27th June.
