Dear Parent(s)/Carer(s),

**Re: Year 11 Exams information evening – change of date and how to access**

Following the communication on Tuesday 8<sup>th</sup> October from the Principal, Mr Roberts, regarding public consultation on sixth form provision at Joyce Frankland Academy, Newport taking place on 22<sup>nd</sup> October, it is necessary to change the date of the Year 11 Exams information evening. It will now take place on Monday 21<sup>st</sup> October and will start at 5.30pm. It will remain an online event and should last approximately 30 minutes.

The formal nature of the sixth form consultation requires that specific processes and timelines are adhered to, therefore necessitating the alteration of the Year 11 event. We apologise for any inconvenience caused.

If you are not able to attend online at the time of the event, please note that it will be recorded and posted on the Academy website under the “Exams” section. This, along with other useful documents about preparing for mock examination, can be found here: [Year 11 Information Evening – Joyce Frankland Academy](#)

The event will provide specific information about the mocks and subsequent reporting cycles, provide answers to frequently asked questions and outline school and home can work in partnership to support your child/ren through the year. There will be the opportunity to ask questions via a chat facility monitored by Mrs Bowen, Data and Examinations Officer. However, if you have any questions at this stage that we will subsequently address in the presentation and/or accompanying material, please use this form to share with us: [Exam Information Questions \(office.com\)](#)

To join the webinar on the date and time above, please click on the link below and register. Please keep this link to hand on the day of the event.
