

JFAN Connector 19th December 2025

Principal's Message

Dear JFA Community,

As we come to the end of this term and prepare for the festive season, I want to take a moment to reflect on what an incredible start to the year it has been. Every day, I find myself feeling prouder of our academy and the remarkable young people and dedicated staff who make up our community.

The final few weeks of this term has been filled with memorable moments: winning sporting competitions, our wonderful Christmas concert, the Year 7 carol service, a fantastic Christmas

dinner, exciting house events, and the awards ceremonies where so many students were recognised for their hard work and achievements both inside and outside the classroom. These occasions truly showcase the talent, dedication, and spirit that define our school.

At the start of the year, we launched our three core values: **Aspiration, Respect, and Responsibility**. I am delighted to see these values reflected throughout our school—in the way our students learn, support one another, and contribute to our community. We should all be proud of what they have accomplished and the bright futures they are building.

None of this would be possible without the commitment and care of so many people. I want to extend my heartfelt thanks to everyone who plays a part in developing our young people: our teachers, pastoral staff and non-teaching teams, volunteers, our parent partners and PTA, and of course, parents and carers. Your support and dedication make all the difference.

As we look forward to a new year full of opportunities, I wish you all a joyful Christmas and a peaceful, happy New Year.

Warmest wishes,

Mrs D Warwick

Anglian Learning

As CEO of Anglian Learning, the school Trust which supports your child/ren's school, I would like to share some key highlights of the work we have undertaken in the last few months. These activities have benefitted the pupils, workforce and communities of our Trust.

Firstly, I was delighted to attend our [Platform 25 exhibition](#) in Cambridge which brings together artwork from each of our secondary schools. As usual, the quality on display was impressive and many congratulations to all pupils whose work was exhibited. My thanks also to the art teachers across our Trust for their support of the exhibition, which was open to members of the public.

We also launched Anglian Learning's long-term strategy, which has three main areas of focus: Belonging by Design, Great Schools and Connected Communities. Next term, I will share with you more information about this strategy. We have already started to drive forward in each area, including the launch of webinars to support parent, carer and pupil wellbeing as part of Belonging by Design and working in partnership with the Foundation for Young People's Mental Health. More details can be found [here](#).

We have been supporting the development of our school estate, using government funding to invest in EV chargers, refurbishing numerous classrooms, toilets and play facilities and, most ambitiously, working alongside the Department for Education to start the remodelling of Sawston Village College.

In January, we look forward to welcoming four new schools to our Trust, with one being Soham Village College. The school's vision and values align well with Anglian Learning's, making them a perfect fit for our community. We look forward to learning from each other and inviting their pupils to take part in our Trust-wide events in the coming months and years.

I wish all families a restful break and thank you for your continued support as we work together. For more information on our Trust's activities, please visit our website www.anglianlearning.org, or follow us on [Facebook](#), [Instagram](#) and [LinkedIn](#).

Food Bank Collection

Thank you so much for your generous donations for our food bank collection. We collected an amazing 276 items of toiletries, dried food and canned goods which our year 7 students delivered to the Church on Wednesday when they attended the Christmas Service. Congratulations to **Caius** who were the house that brought in the most items.

"Keep unwrapping success, one day at a time!"

Enrichment

At our Academy, we believe that co-curricular activities are an essential part of a well-rounded education. They offer a range of benefits that support our students in developing aspiration, showing respect, and building a strong sense of responsibility. Through participating in these activities, students are encouraged to:

- Aspire to reach their full potential by exploring new interests and talents
- Show respect by working collaboratively with peers and staff in a positive and inclusive environment
- Take responsibility for their own personal growth and learning beyond the classroom

Co-curricular involvement also helps to:

- Enhance academic performance
- Boost self-esteem and emotional well-being
- Provide meaningful social opportunities
- Develop essential life and leadership skills

- Strengthen applications for sixth form, college, or university

We are proud to offer a wide and diverse range of clubs this term, and we hope your child will take full advantage of these opportunities—to aspire confidently, act with respect, and grow with responsibility.

The full timetable is available on our website [here](#).

Careers

Careers Carousel

We are hosting our annual Careers Carousel for Years 9, 10 and 13 on 15th January. If you or your employer would like to present at the event please contact lford@joycefrankland.org for further information. The brief outline of the event is; A day where students visit talks in small groups alongside their year group peers, focusing on careers in sectors, education providers and local employers/employees. Talks are 20 minutes long with 10 minutes Q&A at the end for students to help understand the choices that lay ahead.

JFAN PTA

The Role and Importance of the PTA

State schools are currently facing considerable budget constraints due to ongoing government funding shortfalls. These financial pressures have unfortunately resulted in consequences such as staff reductions, a narrower range of subject choices, and significant cuts to extracurricular activities. While there have been some funding increases in recent years, many schools continue to experience real-terms cuts since 2010, with the most deprived areas and secondary schools being particularly affected. Against this challenging backdrop, it is important to recognise how rare it is for a high school to have a thriving Parent Teacher Association (PTA). JFAN is truly

privileged to have maintained an active PTA for over a decade, benefiting students, staff, and the wider school community, raising between £5-10K per year.

Join the PTA: Volunteer Opportunities

In order to continue this vital work, we need to recruit new members. We are keen to welcome enthusiastic parents and carers to join our expanding team, with opportunities available in the following areas:

- PTA Secretary (job share)

There are also opportunities to take on one-off projects, including:

- Winter Ball 2026 – for parents, carers, and the teaching community (with much of the groundwork already completed)
- Uniform pop-up shops – at JFAN and the Farmers Market (held monthly)
- Fundraiser Golf Day – Spring 2026
- Christmas Market 2026 (Young Enterprise) – December 2026
- Year 7 School Disco

You can also lend a helping hand at our regular events, such as school BBQs, Quiz Nights, and serving refreshments at the annual Drama production.

Save the Dates

A full calendar of PTA events will be shared in due course.

Can you help?

At times we are developing areas of the academy or are working on small projects that would benefit from particular items but can't always afford these from our schools budget. When these items are identified we will be putting in small notice in the JFAN Connector just in case any of our families may be getting rid of these items from home or would like to donate. Thank you for your consideration.

Reading Books - please keep donating any books that are suitable for our students and are in good condition; we can never have too many books! We would really like some more Guinness book of Records books.

IKEA Cube Storage Units (Kallax - the ones with the square sections you can put boxes in, any size or colour) - we are developing a few areas at the academy where these would be really useful.
